ABOUT ME

Young talent, strong problem-solving mindset with a focus on process automation. Skilled in multi-body and structural dynamics, data analysis, programming, and control theory.

Interested in deepen my expertise with international exposure. Motivated by leadership and managerial responsibilities while maintaining a technical involvement.

✓ PERSONA

Ambitious, motivated, analytical, precise, organized, focused, social, curious.

🗨 LANGUAGES

Italian	Native	●●●●●
English	Advanced	●●●●○

🌱 HOBBIES

Motorcycling, Calisthenics, Psychology, Reading, Traveling, Self-Improvement.

💻 SOFTWARE

MSC Adams, MSC Nastran, MATLAB, Simulink, Python, C++, VI-Grade.

Nicolas Romanella

MSc Automotive Engineering

👛 WORK EXPERIENCE

Vehicle Dynamics Engineer <i>Volvo Cars</i>	Göteborg, Sweden 01/2026 – 09/2026
---	---------------------------------------

Working on the integration of reduced flexible Body-in-White (BIW) and structural component models into real-time vehicle dynamics simulations. Analyzing the impact of structural flexibility on ride comfort, handling, and steering response in passenger cars.

Vehicle Dynamics Engineer <i>Impulse Modena Racing</i>	Modena, Italy 11/2023 – 12/2025
--	------------------------------------

Developed and validated motorcycle dynamics models used to predict on-track performance. Built software tools for telemetry analysis and process data during testing. Promoted to lead a 5-member team within the Vehicle Dynamics Division, focusing on improving model accuracy.

👤 PLUS+ EXPERIENCE

Business Support Assistant <i>Nuova Coperbit SRLS</i>	Benevento, Italy 11/2022 – 12/2025
---	---------------------------------------

Provide financial and strategic support to a construction materials company. Prepare estimates, invoices, and investment projections to assist in decision-making. Develop tax and cash-flow forecasts, and manage the sale and nationwide shipping of unused equipment.

Student Representative <i>ARDSU Toscana</i>	Pisa, Italy 12/2019 – 09/2022
---	----------------------------------

Elected to represent students in university residences, acting as the main point of contact with DSU Toscana. Led meetings to improve residence services, coordinated relocations, and organized community events to foster collaboration and mutual respect.

🎓 EDUCATION

Master of Science in Automotive Engineering University of Modena	29.7/30 09/2023 – 07/2026
---	------------------------------

Summer School in Nuclear Engineering University of Illinois	4.0/4.0 08/2023 – 09/2023
--	------------------------------

Bachelor of Science in Mechanical Engineering University of Pisa	103/110 09/2018 – 09/2023
---	------------------------------

High School Diploma in Applied Science Liceo Scientifico	100/100 09/2013 – 09/2018
---	------------------------------
